Dear Mr. Miaw:

I am writing to inform you that your request, FOIA case number RD 48520 will be reassigned to our Tier 3 (complex) effective April 1, 2019. To give you an indication of our existing backlog for Tier 3, we are currently processing requests received in February 2013. Your request was previously assigned to our Tier 2, where we are currently processing requests received in June 2013.

The change is a result of an office effort to improve efficiency and potentially decrease the amount of time your case is in our processing queues.

If you would like to narrow your request, you are welcome to do so by contacting our office using the contact information below. Additionally, if you no longer wish to receive these records we ask that you indicate such in writing to our office.

If this correspondence is returned as undeliverable and no new contact information is provided within 90 business days from the date of this letter, your case will be administratively closed.

We will continue to process your case in the order that it was received. You will receive a final letter once review and processing is complete.
